ORDER

The case was heard today. The Counsel for the petitioner pleaded that case No. 54/2009 u/s 147 of the Cr P C being heard by the SDO, Pakur should be transferred on the ground that the lower court did not take any decision on the petition for adducing evidence.

Perused the record. It is recorded in ordersheet dated 15-1-10 that Respondent filed a petition for giving evidence. The SDO, Pakur is directed to give opportunity to the present petitioner for giving evidence and then take a final decision.

With the above observation the present case is disposed of.
