Order

Today is fixed for the passing of the order. Heard the 1st party and perused the documents filed by the 1st party. Further also perused the order passed by the learned Circle Office Bagodar in Mutation. Case No. 304 R27/2018-19/ 95142.

The learned Circle officer Bagodar has rejected the mutation petition of the 1st party in the said case. Grounds for the rejection mentioned in order is as follows:-

(i) Khatiyan is not available online.

(ii) The land of khata 188 of village Jarmune is CNT land.

Perused the written statement and documents filed by the 1st party. A copy of the khatiyan also filed by the 1st party. According

to Khatiyani the Khatiyani Raiyat is by cast 'Kasai' which is mentioned in the list of backward cast in CNT Act. There is a established process to transfer of land as mentioned in the CNT Act. Section 46(b) of The Chota Nagpur Tenancy Act, 1908 says that -

"(b) an occupancy - Raiyat who is a member of the Scheduled Caste or Backward class may transfer with the previous sanction of the Deputy Commissioner his right in his holding or a portion of his holding by sale exchange, gift will or lease to another person

Above procedure has not been followed by the Iet party.

In the light of the above discussion I am in opinion that there is no need for interfere in

the order of the learned Circle
office. Thus this appeal is disallowed.
